7. Single graves are sized to accommodate one casket burial as well as one urn burial. Alternately, two urn burials are allowed in a single grave. If there are to be two burials in one grave, the casket should be the first burial and then an urn may be buried later in the same grave. If, under extenuating circumstances, an urn is buried first, there will be additional charges for the repositioning of the urn to accommodate a casket.
8. Permission for a third urn burial in a single grave will only be given under very specific circumstances (i.e. multiple deaths in the same event) and at the discretion of the Board of Trustees of the Pittsford Cemetery.

The Pittsford Cemetery Association reserves the right to remove all flowers, wreaths, or other decorations from graves as soon as they become faded or unsightly (usually within 2 weeks after the burial). All winter decorations should be removed by the owner each year before April 1. All such articles remaining on a grave after April 1 will be removed and disposed of by the cemetery staff.
10. No plants, flowers, flag staffs, memorial standards, flower containers, temporary or permanent, nor any planting other than grass may extend more than one foot from any marker or monument in order for areas to be clear for machine cutting of grass. **GLASS OR CERAMIC CONTAINERS ARE PROHIBITED!**

PLEASE NOTE: Watering and tending of such trees is the sole responsibility of the donor.
